## Bow Arm Morris Recliner

*Stickley, a name synonymous with quality furniture and exquisite design bore the mark Als Ik Kan, "to the best of my ability". This old Flemish craftsman phrase was marked on the products in the early years, to assure customers that every piece of Stickley furniture was made with skill, determination and integrity. Almost 150 years later these values have been preserved in every piece of Stickley Furniture produced today.*

*We are pleased to be associated with this wonderful company and are proud that so many of our Stickley customers have begun to call us the Home of Stickley in Western Ontario.*

*The recliner pictured was adapted from a Circa 1910 chair, Leopold Stickley's tribute to William Morris, leader of the Arts and Craft movement. This reclining chair is available in fabric or leather, solid cherry or solid oak, plus many different finishes that will blend with any décor.*
